

Toy Bee and Ladybug

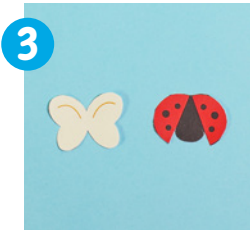

1

Paint the Kinder Surprise toy barrel red or leave it yellow to create a ladybug or bee.

2

Wait for the paint to dry.

3

Print out the template of the insect decorations and cut them out.

4

Glue on **googly eyes** to the front of the toy barrel.

5

Draw on stripes and dots using a black marker.

6

Glue the printed-out decorations onto the toy barrel to finish off the insect.
