

# Origami Cargo Boat

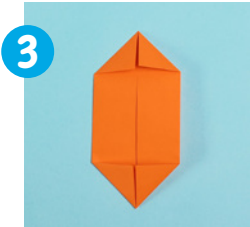

1

**Fold** your piece of origami paper **in half**. Then unfold it creating a crease.

2

**Fold** each side edge to meet at the **centre** crease to fold a smaller rectangle.

3

**Fold** the top and bottom corners to the centre crease.

4

**Fold each corner** again into the centre crease to create sharp points.

5

Fold the new points created into the **centre line**.

6

Turn the paper **inside out** gently to create your boat.

7

**Cut a hole** into the base of the boat for the sail post.

8

**Unwrap** a Kinder Chocolate and flatten the wrap. Glue this wrapper to a straw to create the flag.

9

**Connect** the straw to the boat, placing the straw in the hole.

10

Fill the boat with **Kinder Chocolates!**
