

Summer Garland

1 Print out the template of the cones and cut them out.

2 Colour the cones in different colours.

3 Fold the cones and glue the ends together to create paper hats.

4 Thread the string of LED lights through each paper hat, securing each light and hat with tape.

5 Hang up the garland somewhere suitable in your home, securing both ends of the garland.

6 Switch on the lights and enjoy!

You Need:  

Scissors

Tape

Cardstock OR Paper (coloured)

Markers OR Pencils

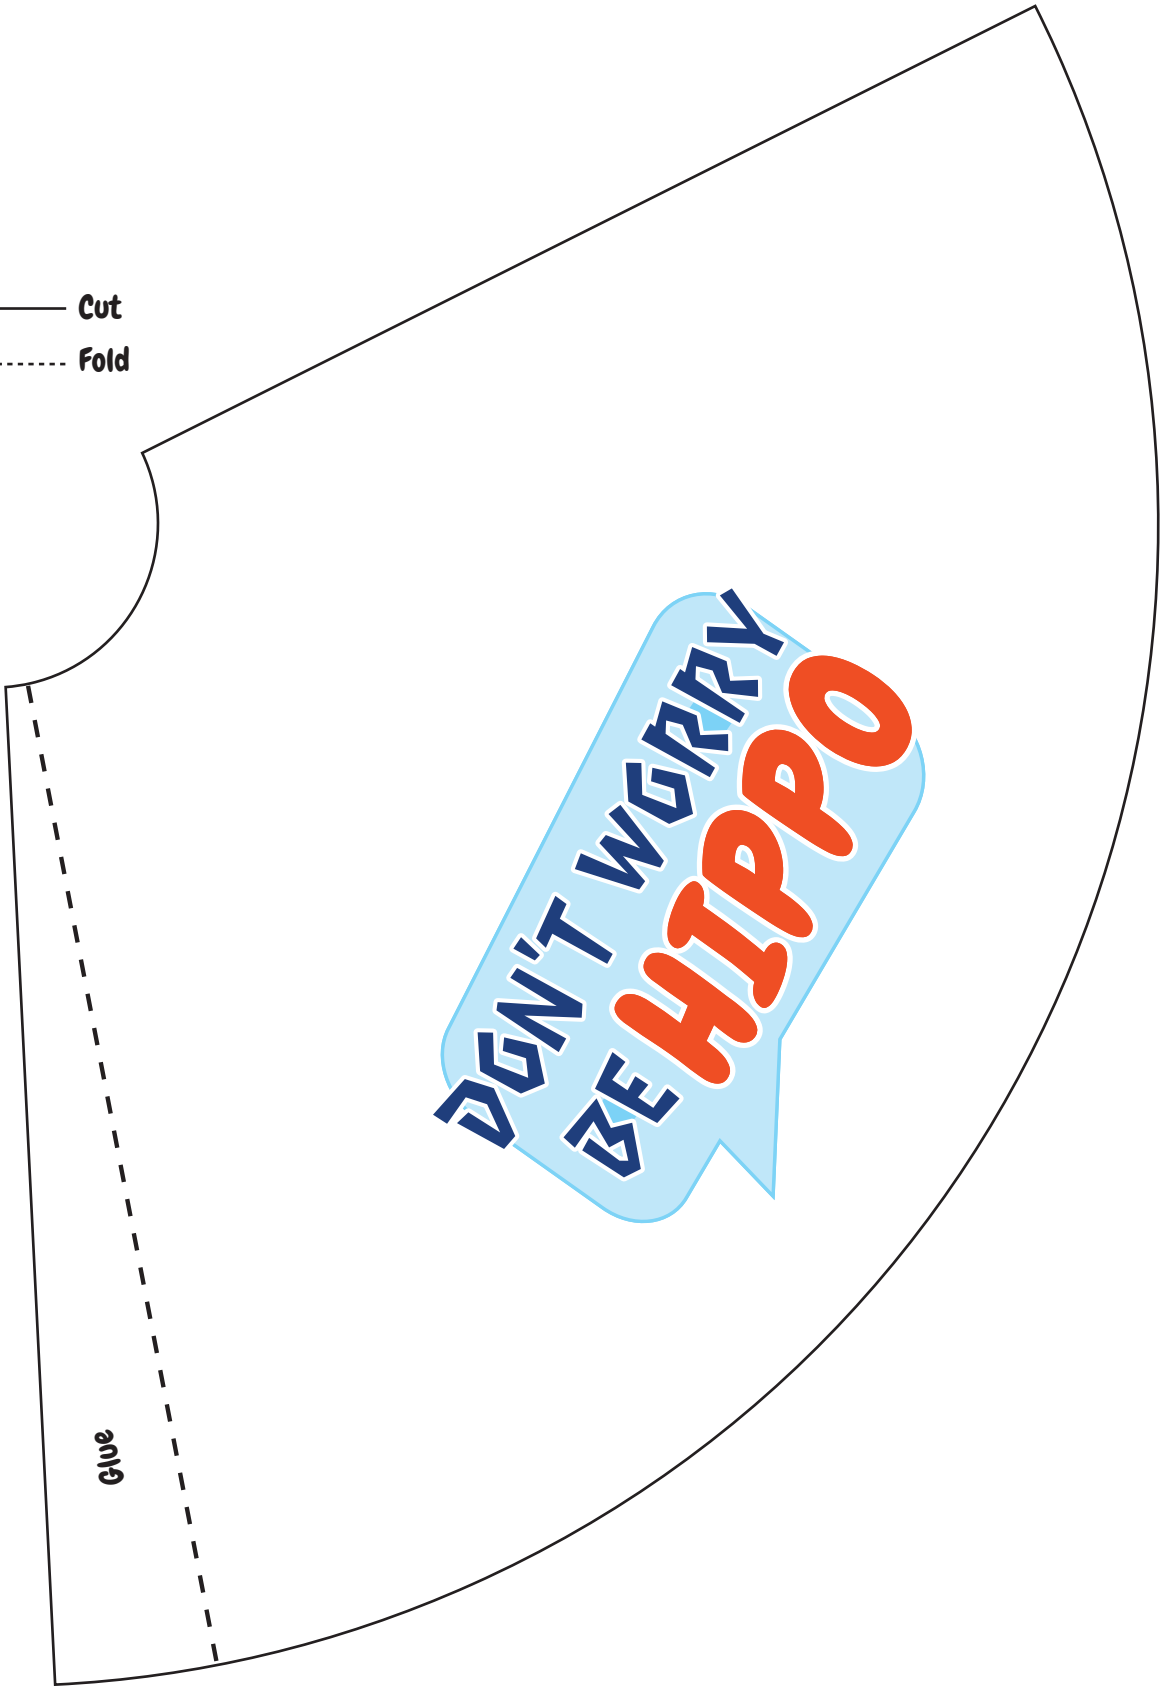

LED string of lights (either with batteries or plugs)
